

ST KILDA ESPLANADE MARKET 2015

PERMIT TO PARTICIPATE EXTRA CONDITIONS

SUNDAY 10AM TO 4PM July-August

Local Law No 1 (Community Amenity)

Conditions:

TRADING SITE

1. The level of use must not exceed that indicated in the application for a permit and may only consist of the approved activity as advised in the permit.
2. At the completion of the Market, the permit holder must clear the site that has been occupied during the period of the Market. All infrastructures must be cleared from the road at 6:00pm.
3. The site surface must be left by the trader in a clean state at the conclusion of the event as deemed by St Kilda Esplanade Market Management. (An additional fee to cover cleaning will be incurred if the site is not deemed in an appropriate state.)
4. Trader placement on site is at the absolute discretion of St Kilda Esplanade Market Management.
5. All vendors serving food must have a copy of and comply with the Guide to the Design and Inspection of Gas Installations in Mobile Catering Vehicles Checklist on site. (Inspections will be conducted.)

PRODUCT STORAGE

6. The trader must contain all storage and other equipment within the confines of their site.

INFRASTRUCTURE

7. No item or infrastructure e.g. umbrellas, signage, tent lines or pegs, etc. may protrude from or sit outside of the allocated site area.

FOOD ACT REGISTRATION

8. All vendors serving food are required to have a current Food Act Registration Certificate, issued by their Principal Council (Class 2 & 3) and Food Safety Program (Class 2). All vendors serving food must also have submitted a Statement of Trade to both their Principal Council and the St Kilda Esplanade Market (City of Port Phillip).

VEHICLE ACCESS

9. No vehicles other than permitted mobile food vehicles can be present on site during the event.

SAFETY AND AMENITY

10. No barbecues, hotplates, Bain Maries or other hot servery equipment may be used as shop counters.
11. All electrical equipment and power leads must have a current electrical test tag. (Inspections will be conducted.)
12. No amplified music is allowed to emanate from the vending site.
13. Any reasonable requests made or direction given by City of Port Phillip staff, St Kilda Esplanade Market Management, St Kilda Esplanade Market appointed staff, or any emergency service organisations pertaining to the trading area must be followed and adhered to immediately.

WASTE MANAGEMENT AND SUSTAINABILITY

14. Items must be disposed of in the manner required by the Market's waste management program. (Trade waste is the responsibility of the trader.)
15. All Itinerant Vendors are responsible for their own liquid waste and must dispose of this waste appropriately outside the Market precinct.
16. Traders must use recyclable packaging. (This will be inspected during trade on Market Sunday and fines may apply for non-compliance.)

ACCESSIBILITY

17. The trader must not obstruct the pedestrian thoroughfare immediately in front of their trading site.
18. The service counter/bench/display height of the trader must ideally be no greater than 900mm. In the instance that the height is greater than 900mm, special assistance must be provided to each customer that may require accessibility assistance.

19. Electronic funds transfer machines must have an extension cord or operate wirelessly so as people with accessibility requirements are not disadvantaged.
20. The trader must ensure that entrance and exit points of their site are completely accessible to all customers and are not obstructed by signage or other items.
