

ST KILDA ESPLANADE MARKET 2015

TRADER EVENT DAY INFORMATION

OFFICIAL MARKET TRADING HOURS SUNDAY: 10:00AM – 4:00PM

SET UP: 7:00AM - 9:30AM

PACK UP: 4:00PM – 6:00PM

VEHICLE ACCESS AND PARKING: Traders are issued with a market trading permit. Parking on the allocated footpath only is approved and the permit must be available for inspection at any time.

WATER REQUIREMENTS: Some trading sites do not have access to a water supply; therefore it is the responsibility of traders to provide, where necessary, their own water supply. Further to this, it is important that traders comply with relevant statutory health requirements pertaining to water supply.

POWER: Power will not be provided. Only approved equipment will be permitted

WASTE MANAGEMENT: The St Kilda Esplanade Market requires your cooperation in the administration of a successful recycling system. All traders must only use recycled and recyclable food packaging. These products are available through Lombard the Paper People.

GENERAL CLEANING: All waste must be removed by the trader at the conclusion of the day's trade. Should any waste be left behind at trading sites, the St Kilda Esplanade Market will charge the responsible Vendor for the cleaning costs. Liquid waste is the responsibility of each Vendor to remove. Liquid waste must be taken away and disposed of in an appropriate manner, by the trader.

FIRE SAFETY: All vendors cooking food must comply with national fire safety standards. Vendors must have an operational fire extinguisher and a fire blanket where appropriate. All fire safety equipment must have current tags. Please check current regulations with your local authority. This will be inspected on Market Sunday.

GAS: All food vendors must have a copy of the Gas Safety mobile catering vehicle check sheet on site for assessment on the day. Inspections will be conducted on Festival Sunday.

All enquiries must go to Gabi Alleyne Market Manager | St Kilda Esplanade Market
